President's

Message

**Shelia Lumar, Ph.D., LPC-S,
LCDC, NCC, MAC, CFLE**
President (2018 - 2020)

Welcome to the Texas Council on Family Relations Annual Conference. Our conference theme this year centers around “Promoting Healthy Families: Policy & the Dynamic Family. Thank you for being here with us today. We are very pleased to welcome those of you that have been with us for a long time as well as those who are new to TxCFR.

Our organization was founded in 1978 as a nonprofit, non-partisan state affiliate of the National Council on Families Relations (NCFR). We are a council of professionals from diverse backgrounds working together to promote overall health and well-being for Texas families. TxCFR maintains a 22-member board that serves in various capacities to ensure the joint mission of promoting healthy families through prevention, education and collaboration is amplified through shared beliefs and best practices. We have an extraordinary lineup of conference workshops and plenary speakers that serve as experts in their respective disciplines and legislative activities. Our Capitol Connection event takes place during the conference. This event entails taking a trip to the Texas State Capitol to inform state legislators about Family Life Education and the Certified Family Life Educator (CFLE) credential.

Over the next couple of days, you will be exposed to evidence-based workshops, activities, and events discussing a plethora of topics related to family dynamics, policy matters and family well-being. You will be learning about the different initiatives through our planned activities and special events where you will be able to join in to acquire hands-on experiences. You have chosen to be a part of our association due to mutual passion for the TxCFR’s mission. The conference provides an opportunity for us to come together to continue the work that positively influences the lives of Texas families. Again, welcome to the conference, and I look forward to meeting and visiting with you.

A Message from the Conference Co-Chairs

Welcome to the 2019 TxCFR Annual Conference! After months of planning, we are so glad to see you here! We hope you take advantage of all of the networking and professional development opportunities that TxCFR 2019 has to offer.

A new feature of our conference this year is the interactive Sched conference app. We encourage you to download the Sched app on your smartphone or tablet or access the Sched.com website. All of these options will allow you to view the most up-to-date conference sessions, receive helpful announcements, build a personal schedule, view abstracts, read about presenters, and interact with other conference attendees. We especially encourage you to provide feedback about each of the conference sessions that you attend using the rating system within Sched. We will give strong consideration to your feedback when planning future TxCFR conferences.

Here is the Sched event address: <https://txcfr2019.sched.com/>

We hope you enjoy your conference!
