

# UPDATE TxCFR 2021 **Virtual** Annual Conference

The TxCFR Board of Directors has decided the 2021 TxCFR Annual Conference will be held virtually.

We hope concerns from the COVID-19 pandemic will be managed by spring, but we anticipate travel and gathering restrictions may still be in place. Although sad this change is needed. We are excited for the opportunity to explore evolving means of gathering.

To accommodate the needs of an online platform, select sessions will be prerecorded and available on-demand. Other sessions will be hosted live.

**ON-DEMAND EVENTS** available Tuesday, March 2nd & Wednesday, March 3rd

**LIVE EVENTS** held Thursday, March 4th & Friday, March 5th

**Amended Call for Proposals Deadline: December 1st**
